There's a calm surrender to the rush of day
When the heat of the rolling world can be turned away
An enchanted moment and it sees me through
It's enough for this restless warrior just to be with you
And can you feel the love tonight? It is where we are
It's enough for this wide-eyed wanderer that we got this far
And can you feel the love tonight? How it's laid to rest
It's enough to make kings and vagabonds believe the very best
There's a time for everyone, if they only learn
That the twisting kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours
And can you feel the love tonight? It is where we are
It's enough for this wide-eyed wanderer that we got this far
And can you feel the love tonight? How it's laid to rest
It's enough to make kings and vagabonds believe the very best
It's enough to make kings and vagabonds believe the very best
